

AMS Library Gift Book Program

The Amesbury Middle School Library has an active Book Talk program for students in grades 5 – 8. Students visit the library with Language Arts teachers to learn about new fiction books. Book Talks are presented by the Amesbury School Library Media Specialists, Public Library staff members, school staff members, parents and other members of the community.

You can help to keep this program alive by contributing to our AMS Library Gift Book Fund. Fiction titles range in price from \$12.00 - \$15.00. The Library Media Specialist will purchase a new hardcover book, send a letter of acknowledgement and place a bookplate with your inscription in the front of the book.

Donations may be made in honor of a student, a teacher or a team of teachers. If you would like to participate, print out the form below and return it to Mrs. Hardin at the Amesbury Middle School Library.
